Dear Prospective Sponsor:

The [Canadian Society of Forensic Science](http://www.csfs.ca) (CSFS) is a non-profit professional organization incorporated to maintain professional standards, and to promote the study and enhance the stature of forensic science in Canada. We acknowledge support of our organization and the field of forensic science from generous companies/organizations such as yours and we would like to invite your company/organization to participate as a sponsor.

The CSFS conference will be held from June 21 to 24, 2021. The conference brings together both students and professionals from a wide variety of forensic science disciplines and is an opportunity to meet and exchange ideas. Due to its virtual format this year, the CSFS conference will be open to attendees not only nationally, but internationally as well.

We have various sponsorship opportunities, which provide different benefits according to your needs and allow general sponsorship of the event. Companies/organizations may also donate prizes for best presentation(s), attendee draws, and draws at the CSFS Annual General Meeting. Information on the sponsorship opportunities available, and instructions on how to become a sponsor, are contained in this document. If you or your company/organization are interested in giving a vendor educational presentation (gold sponsorship level), please note that spaces are limited and available on a first come, first served basis. Therefore, please complete and return the agreement form as soon as possible.

If you have any questions, please feel free to contact us at conference2021@csfs.ca. We look forward to your participation in the CSFS virtual conference in June 2021.

Sincerely,

Mr. Eugene Liscio and Dr. Rolanda Lam
Co-Chairs, 2021 CSFS Conference Organizing Committee
