

CUPE 3912 Job Posting for Part-Time Instructor

Course: FRSC 2200.1 (Lecture)
Basic Sciences for Forensics I

Program: Forensic Sciences Certificate Program, Faculty of Science, Saint Mary's University.

Semester: Fall 2026

Schedule: Lectures 6:00 pm – 8:30 pm Tuesday

Academic Calendar Description:

This course is an introduction to biology, physics, anthropology, pathology, and psychology that forms the basic scientific background applicable to the study of forensic science.

Additional Details:

The course is intended to draw on both the expertise of the instructor and that of selected outside content experts brought in to contribute, with the primary instructor coordinating, incorporating and overseeing any outside expert contributions to the course and/or labs.

Note: that this course has an associated LAB section, led by a laboratory instructor, and that instructor position is posted separately.

Qualifications:

Preferred applicant will have experience lecturing and developing curricula or programming in the area of the Forensic Sciences. Applicants must possess a M.Sc. in a related field. Experience teaching FRSC 2200 is preferred.

Duties:

Duties and responsibilities include course/lecture preparation and delivery; coordination of expert guest lecturers as needed; preparation of assessment materials, including from modules led by guests; evaluation of all student assessments.

Remuneration:

Remuneration is in accordance with the Collective Agreement between Saint Mary's University and CUPE 3912.

How to Apply:

Applications are invited in the first instance from part-time faculty colleagues on the Saint Mary's precedence list. Applicants who currently hold a part-time teaching appointment at Saint Mary's University should submit a cover letter and a C.V. Applicants who do not currently hold a part-time teaching appointment at Saint Mary's University should submit a complete application (including a cover letter, CV, proof of academic credentials, name and contact information of three referees, and any evidence of teaching effectiveness). Submissions are made as a single PDF file sent directly via email to: forensics@smu.ca.

Application Deadline: Monday, July 06, 2026

At Saint Mary's University, equity and diversity are integral to excellence and enrich our community. As an institution committed to fostering an environment of inclusion and respect, we welcome applications from women, Indigenous peoples, racialized persons/visible minorities, persons with disabilities, persons of minority sexual orientation or gender identity and others who might contribute to the growth and enrichment of our community. Applicants are encouraged to self-identify. If you require accommodations during the recruitment process, please contact hr@smu.ca.
